

# AT&T Mobility Bargaining Survey

## Communications Workers of America

### Districts 6

The AT&T Mobility contract with CWA District 6 expires February 21, 2020. Your CWA Bargaining Committee will begin bargaining with AT&T Mobility in January 2020. Over the next few months however, your Locals and Bargaining Committee will be developing specific demands and proposals to present during negotiations.

This two-page Bargaining Survey is very important. It will provide your Bargaining Committee a means to assess and set priorities as well as provide your Union leadership with valuable information necessary to fight for them. We need *every* member to participate in not only setting our priorities but actively engaging in the fight to achieve our bargaining goals.

Please fill out *both pages* of this questionnaire and return to your steward or Union representative as soon as possible.

**Please mark each item below as to how important it is to you:**
