

This is a proposed set of jurisdictions for the Stewards of CPW-UAW Local 4100. Stewards, once elected, will fulfill a crucial role in our Union through organizing and engaging co-workers, assisting with grievances, and ensuring all Postdocs and ARSs are informed about the activities of our union.

As described in our Local Union bylaws, this proposal is intended not to split districts between campuses and to have in the order of one (1) Steward per 75 members. The proposed districts are based on the experience from organizing on campus over the past several years, geographical proximity between buildings, and departmental affiliation. We have developed two versions to ensure that this standard is met.

- **Version 1:** For districts with >75 but less than 150, give one extra steward if excess is >25% of 75
- **Version 2:** For districts with >75 but less than 150, give one extra steward

		Number of Stewards	
Single campus districts			
		Version 1	Version 2
Lamont		1	1
Manhattanville		2	3
Campus with multiple district			
Medical Center		Version 1	Version 2
